25 Year System Warranty

In the event that the sole and exclusive remedy described above fails of its essential purpose, the liability of LATICRETE is limited to the dollar value, on a square-foot basis, of the original purchase price of the portion being replaced.

Not withstanding the previous paragraphs, exterior facades with ceramic tile or stone installed over substrates with steel or wood framing do not qualify for this limited warranty—see Data Sheet 230.15 for such applications.

EXCLUSIONS
LATICRETE is not responsible for workmanship not in accordance with the instructions of LATICRETE and industry standard guidelines. Cracking due to structural movement, excessive deflection or other failure in the substrate is also not covered.

LATICRETE IS NOT LIABLE FOR ANY INCIDENTAL DAMAGES OR CONSEQUENTIAL DAMAGES, INCLUDING LOSSES DUE TO DELAYS, INCURRED BY THE PURCHASER OR ANY OTHER PARTY.

*NOTE: Efflorescence is a normal condition of portland cement mortars and is not a defective condition.

NO ASSIGNMENT
This limited warranty is not transferable or assignable.

HOW TO MAKE A CLAIM
To make a claim under this limited warranty, you must notify LATICRETE in writing within thirty (30) days of the discovery of the alleged manufacturing defect. At the option of LATICRETE, you may be required, as a condition of this limited warranty, to provide proof of product purchase and use.
