

AKSENT™ 3D

Extraordinary Stone, Extraordinary System

HONED INTERLOCKING 3D PANELS

Designed in a modular 6" x 24" form with a calibrated interlocking end system to eliminate vertical seams, our Aksent 3D™ Panels are not just beautiful, they're also highly functional. Utilizing honed Marbles and Basalts as their medium of choice, they are incredibly smooth to the touch yet remarkably durable, making them ideal for commercial as well as residential applications.
